

Our Love Is Here to Stay

Music by George Gershwin, lyrics by Ira Gershwin

D7 F Dm Am7

It's very clear Our love is here to stay

D7 F Dm Am D7

Not for a year, but ever and a day

Em Am F Dm Am D7

The radio and the telephone and the movies that we know

Am D7 F G (once)

May just be passing fancies and in time may go

D7 F Dm Am7

But oh my dear Our love is here to stay

D7 F Dm Am D7

Together we're going a long, long way

Em Am F Dm Am

In time the Rockies may crumble, Gibraltar may tumble

D7 Am-F G Am7

They're only made of clay. But our love is here to stay

D7 F G Am7

Oh, our love, our love is here to stay

Popular song and jazz standard first performed by Kenny Baker in The Goldwyn Follies (1938) but became popular when it was sung by Gene Kelly to Leslie Caron in the film An American in Paris (1951.)
