"Red River Valley" C G7 C From this valley they say you are going We will miss your bright eyes and sweet smile For they say you are taking the sunshine That has brightened our pathway a while Come and sit by my side if you love me Do not hasten to bid me adieu Just remember the Red River Valley And the cowboy who's loved you so true Optional --- Harmonica - whistle or hum one verse here Won't you think of the valley you're leaving, Oh how lonely and sad it will be, Do you think of the kind hearts you're breaking, And the grief you are causing to me.

Repeat all of top verse --- softly fading out at end
