

Love's Been Good To Me

(Refrain)

I have been a rover, I have walked a - lone

Hiked a hundred highways - never found a home

Still in all I'm happy --- The reason is, you see

Once in a while along the way love's been good to me

There was a girl in Denver before the summer storm

Oh, her eyes were tender - Oh her arms were warm

And she could smile away the thun-der, kiss away the rain ---

Even though she's gone away , you won't *hear* me complain

(Refrain)

There was a girl in Portland before the winter chill

We used to go out a-courtin' along October hill

And she could laugh away the dark clouds, cry away the snow --

It seems like only yesterday as down the road I go
