

Everybody Loves Somebody Sometime

^C ^E ^F
Everybody loves somebody sometime

^{Dm} ^{Bb} ^G ^{G7} 19
Everybody falls in love some how

^C ^{Em} ^{Dm}
Something in your kiss just told me

^G ^C ^{G7}
My some time is now

^C ^E ^F ^A
Everybody finds somebody some place

^{Dm} ^{Bb} ^G ^{G7}
There's no telling where love may appear

^C ^{Em} ^{Dm}
Something in my heart keeps saying

^G ^C
My someplace is here.

^C ^{C7}
If I had it in my power

^F ^A ^{Dm}
I would arrange for every girl to have your charm

^{Am} ^{Em}
Then every minute, every hour,

^{Dm} ^A ^{Dm} ^G
Every boy would find what I've found in your arms

^C ^E ^F ^A
Everybody loves somebody some time

^{Dm} ^{Bb} ^G ^{G7}
And although my dream was overdue

^C ^{Em} ^F
Your love made it well worth waiting

^G ^C
For someone like you
